

TT – Tank Auxiliary Service Top Chest Combo - Steel or Aluminum

Tanks are heavy duty, and offer auxiliary supply for water, diesel, oil and/or bio fuels and your tools. Tank chest can be mounted on or in truck box, flatbed and trailer. Tanks are available in different sizes, and can be ordered custom size. It is the user's responsibility to comply with local, state and federal requirements pertaining to safe transportation, loading and discharging of tank contents. **These tanks are not intended to be used for gasoline or cannot be used to transfer gasoline to another vehicle.** All AMERICAN TRUCKBOXES tanks are designed and built to a quality you respect.
