

IFB5 - In-Frame Boxes - Aluminum Single Top Open Lid

In-Frame boxes are super heavy duty, high capacity and offer easy access from back of the truck. Boxes are available with Padlock or T-Handle Lock. Boxes are perfect for standing on when changing trailer connections or a perfect way to store your equipment, like chains, binders, straps or your personal gear. In-Frame boxes are available in different sizes, ranging from 12" to 48" or can be ordered in custom size. All AMERICAN TRUCKBOXES boxes are designed and built to keep your equipment safe and secure.

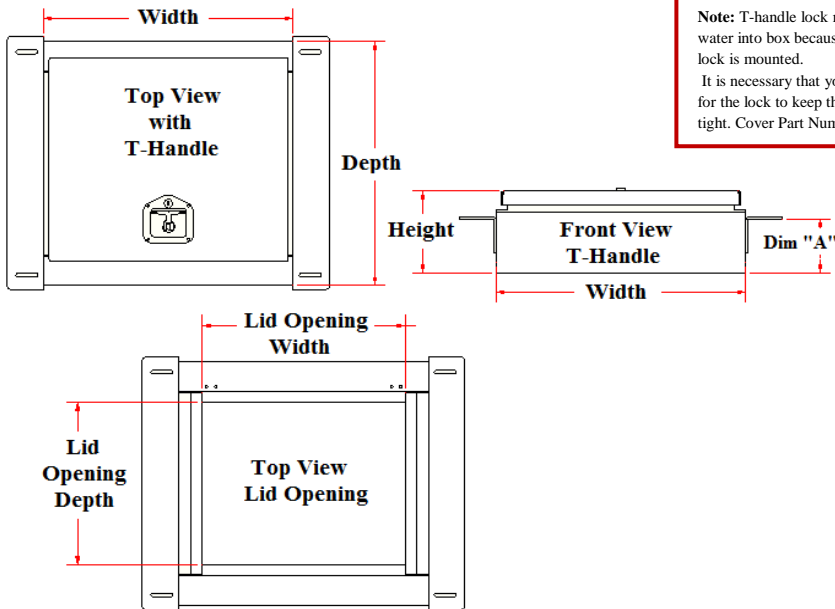

AIFB5B = Pad Lock locking

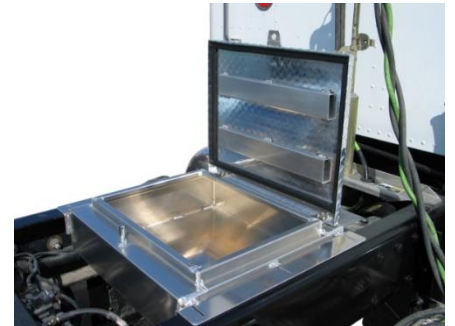

AIFB5T = T-Handle locking

Description
• An engineered aluminum construction
• Fully seam welded on all seams and corners
• Stainless steel continuous hinge on full length of lid
• Channel brace reinforced lid serves as a platform
• Pad lockable adjustable latch
• Optional stainless steel T-handle latch
• Optional stainless steel T-handle cover – 1A060-C
• Automotive type weather seal
• Mounting kit included – M3100F

Note: T-handle lock may drip or leak water into box because of the way the lock is mounted.
It is necessary that you order a cover for the lock to keep the box water tight. Cover Part Number: 1A060-C
