

DP10 - Deck Plates - Aluminum

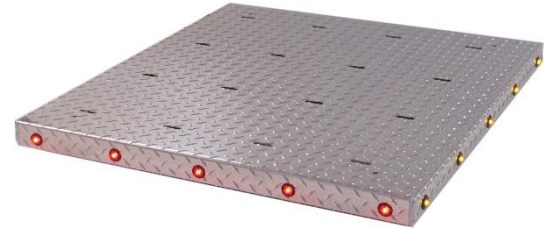

Deck plates are super heavy duty, and offer access to top of truck to disconnect trailer hoses or connectors. Deck plates are available with or without LEDs. Deck plates are available in different sizes, or can be ordered in custom size. All AMERICAN TRUCKBOXES deck plates are designed to keep you safe.

Description

- An engineered aluminum construction
- Fully seam welded on all seams and corners
- LED lights (lamps) certain models
- Reinforced decking supports
- Mounting kit (easy clamp) included – M3120D

Without Lights

With Lights
